

MATH 205: Applied Calculus

Spring 2020

E-mail: jgm019@ksu.edu
Office Hours: Appointment
Office: CW 123

Coordinator: Joshua Miller
Class Hours: TU 530-755
Class Room: CW 121

Course Description

Required Materials

- Applied Calculus, by Shana Calaway, Dale Hoffman, David Lipman
- A calculator is not required, but is advised. Any TI-87 or lower can be used. No cellphones or computers can be used as calculators.

Advice:

Tips to be successful students:

1. Ask questions.
2. Review materials that were covered in class daily.
3. Use CW 41, a free tutoring service offered in Cardwell during the service.
4. Attend office hours.
5. Make friends with your fellow students because they maybe able to help you in an area you are weak in.

Course Structure

Assignments

Extra Help

Your recitation instructor will announce office hours during which you may seek help. In addition, help sessions are held Monday through Friday in Cardwell Hall (check the bulletin board

across from Cardwell 138 for schedule). Individual tutors for the course may be located through the Math Department or numerous services organizations on campus..

Grading Policy

The typical Kansas State University grading scale will be used. I reserve the right to curve the scale dependent on overall class scores at the end of the semester. Any curve will only ever make it easier to obtain a certain letter grade. The grade will count the assessments using the following proportions:

- 5% Attendance
- 15% Homework
- 50% Exams 1 & 2 (25% each)
- 30% Comprehensive Final Exam

Course Policies

During Class

All student activities in the University, including this course, are governed by the Student Judicial Conduct Code as outlined in the Student Governing Association By Laws, Article V, Section 3, number 2. Students who engage in behavior that disrupts the learning environment may be asked to leave the class.

Attendance Policy

For complete attendance and excused absence policies, please see <http://policies.ncsu.edu/regulation/reg-02-20-03>. Attendance is expected in all lecture and lab sections. Valid excuses for absence will be accepted before class. In extenuating circumstances, valid excuses with proof will be accepted after class. For every class missed the participation grade will be dropped 1 point.

Policies on Incomplete Grades and Late Assignments

If you need to miss a midterm exam for a variable and excusable reason, please notify your recitation instructor as soon as possible. If your recitation instructor decides your absence is excusable, then your other exams will be weighted to make up for the missing one; otherwise your score on it will be zero. There will be no make-up exams. A grade of incomplete may be given to a student who has missed more than one midterm or the final exam, if verifiable circumstances warrant it. It is your responsibility to discuss the situation with your recitation instructor.

Late assignments will be accepted for no penalty if a valid excuse is communicated to the instructor before the deadline. After the deadline, assignments will be accepted for a 50% deduction to the score up to 2 days after the deadline. After this any assignments handed in will be given 0.

Academic Integrity and Honesty

Kansas State University has an Honor and Integrity System based on personal integrity, which is presumed to be sufficient assurance that, in academic matters, one's work is performed honestly and without unauthorized assistance. Undergraduate and graduate students, by registration, acknowledge the jurisdiction of the Honor and Integrity System. The policies and procedures of the Honor and Integrity System apply to all full and part-time students enrolled in undergraduate and graduate courses on-campus, off-campus, and via distance learning. The Honor and Integrity System website can be reached via the following URL: www.k-state.edu/honor. A component vital to the Honor and Integrity System is the inclusion of the Honor Pledge which applies to all assignments, examinations, or other course

work undertaken by students. The Honor Pledge is implied, whether or not it is stated: "On my honor, as a student, I have neither given nor received unauthorized aid on this academic work." A grade of XF can result from a breach of academic honesty. The F indicates failure in the course; the X indicates the reason is an Honor Pledge violation.

Accommodations for Disabilities

Students with disabilities who need classroom accommodations, access to technology, or information about emergency building/campus evacuation processes should contact the Student Access Center and/or their instructor. Services are available to students with a wide range of disabilities including, but not limited to, physical disabilities, medical conditions, learning disabilities, attention deficit disorder, depression, and anxiety. If you are a student enrolled in campus/online courses through the Manhattan or Olathe campuses, contact the Student Access Center at accesscenter@k-state.edu, 785-532-6441; for K-State Polytechnic campus, contact Academic and Student Services at polytechnicadvising@ksu.edu or call 785-826-2974.

Discrimination based on race, color, religion, creed, sex, national origin, age, disability, veteran status, or sexual orientation is a violation of state and federal law and/or NC State University policy and will not be tolerated. Harassment of any person (either in the form of quid pro quo or creation of a hostile environment) based on race, color, religion, creed, sex, national origin, age, disability, veteran status, or sexual orientation also is a violation of state and federal law and/or K-State University policy and will not be tolerated. Retaliation against any person who complains about discrimination is also prohibited. K-State's policies and regulations covering discrimination, harassment, and retaliation may be accessed at [or](#) . Any person who feels that he or she has been the subject of prohibited discrimination, harassment, or retaliation should contact the Office for Equal Opportunity (OEO) at 919-515-3148.
